**FINISHED SNOWY OWL!**  
(ENLARGED HERE TO SHOW DETAIL...)

# TINY OWL INFORMATION CARDS

(PRINT IN COLOR ON CARD STOCK. FOLD ALONG SOLID LINE. CUT APART ALONG DASHED LINES.)

**Lives in:** U.S. east of the Rocky Mountains  
**Eats:** Birds, rats, mice, moles & other mammals.  
 Also, worms, bugs, frogs, lizards, etc.  
**Found:** Nests inside holes in trees  
**Sounds like:** Low hoots, sharp barks (of alarm), and laughter-like trilling

EASTERN  
SCREECH OWL

**Lives in:** Parts of Canada and eastern U.S. & parts of South America  
**Eats:** Rabbits, squirrels, chipmunks, mice, birds, frogs, lizards, bugs, etc.  
**Found:** Nests in holes inside trees, especially old-growth forests and swamps  
**Sounds like:** Series of hoots that sound like "Who cooks for you?"

BARRED  
OWL

**Lives in:** Parts of U.S. & parts of South America  
**Eats:** Pretty much everything—even other owls!!!  
**Found:** Lives in many types of forests and swamps, especially with farmland or other open areas nearby  
**Sounds like:** Four or five deep, long hoots

GREAT  
HORNED OWL

**Lives in:** Most of the U.S. and all of South America  
**Eats:** Rats, mice, rabbits, shrews, bats, and other small mammals  
**Found:** Nests in old barns, abandoned buildings, and holes in trees  
**Sounds like:** Combined hissing and screeching

BARN  
OWL

**Lives in:** Parts of Canada and northern U.S.  
**Eats:** Lemmings, rabbits, squirrels, mice, and other small mammals & ducks, geese, seabirds, etc.  
**Found:** In wide open spaces—they even nest on the ground!  
**Sounds like:** Two (or more) long, croaking hoots

SNOWY  
OWL
